

## Electronic Funds Transfer Authorization

Thank you for supporting Kansas Public Radio with your electronic funds transfer (EFT). The KU Endowment Association processes electronic funds transfers for Kansas Public Radio. EFTs allow you to pay your pledge to Kansas Public Radio easily through **monthly** automatic deductions directly from your bank account to KPR's account at KU Endowment.

Upon receiving this authorization form with your **voided blank check**, KU Endowment will send you a confirmation of your authorization information and will notify you when your automatic deductions will begin. The first deduction will usually occur on the fourth business day of the second month after your authorization is received. **A minimum of \$10 a month** is required for participation in EFT.

Thank you again for your support through the EFT program. Please complete and return the form to Kansas Public Radio (address below) to start providing valuable assistance for the station.
